Blue Grass 50oz Synthetic Turf - Western Turf and Hardscapes

Turf sample at Western Turf showroom

Project Overview

This document outlines the backyard renovation options for the rental property at 401 Venge Ct, Golden Valley / Reno, NV. The goal is to transform the bare dirt backyard into an attractive, low-maintenance space that supports a rental rate of $3,000+/month.

Scope of Work:

- Level and grade the backyard
- Build/repair stairs from sliders to yard
- Install synthetic Astroturf (50oz Blue Grass remnant from Western Turf)
- Fill surrounding areas with DG (decomposed granite) or 4" river rock
- Optional: weed fabric underlayment
- Optional: paver patio pad off kitchen slider
- Labor: $3,500 flat rate for all options

Timeline:

Crew starts Wednesday (March 18) for leveling and stairs. Material decisions needed in the next couple days.

Current Backyard Condition:

View from back fence - spray paint layout markings visible

View toward house - blue spray paint showing proposed Astroturf area and patio zones

View from side - master bedroom slider area with spray paint layout

Option A: Astroturf + Decomposed Granite (DG)

BUDGET-FRIENDLY OPTION -- Estimated Total: $6,300 - $6,500

Astroturf in the center (22ft between concrete pads, 15ft wide), with Decomposed Granite (DG) filling all surrounding areas including the sides of the yard.

What's Included:

- 22ft Astroturf strip between the two concrete landing pads (330 sq ft)
- DG everywhere else including sides
- Leveling and grading
- Stair construction/repair

Proposal #34276 - DG (19 CY): $700.97

Cost Breakdown:

Astroturf materials (330 SF remnant + sand + nails + weed fabric)	**$1,401.00**
DG - 19 cubic yards @ $28/CY + delivery	**$700.97**
Labor (leveling, grading, stairs, install)	**$3,500.00**
ESTIMATED TOTAL	**$5,602 - $6,500***

* Range accounts for taxes, delivery variations, and optional weed fabric. Rob notes the weed fabric with DG "isn't horribly necessary" - you could remove the two polyspun fabric charges ($122.72 + $184.08 = $306.80) if you have someone spray for weeds once a year.

Option B: Astroturf + 4" River Rock

ROB'S RECOMMENDATION -- Estimated Total: $7,000 - $7,200

Same Astroturf layout as Option A, but with 4" river rock instead of DG in all surrounding areas. Rock requires weed fabric underneath (non-optional). Rob recommends this: "This rock is only $291 more than the DG and will look way better."

What's Included:

- 22ft Astroturf strip between the two concrete landing pads (330 sq ft)
- 4" river rock everywhere else including sides
- Polyspun weed fabric (required with rock)
- Leveling and grading
- Stair construction/repair

River Rock 4" - 20 CY @ $55/CY + delivery	**$1,315.92**
Labor (leveling, grading, stairs, install)	**$3,500.00**
ESTIMATED TOTAL	**$6,217 - $7,200***

* Range accounts for taxes and delivery. Weed fabric is required with rock and is included in the Astroturf materials bid.

Proposal #13850 - 3/4" or 1-1/2" Crushed Rock (20 CY @ $40): $991.12

Option C: Astroturf + Rock + Paver Patio

PREMIUM OPTION -- Estimated Total: $7,700 - $8,300

Astroturf in the center with 4" river rock, PLUS a 10x10 paver patio pad off the kitchen slider and a paver walkway from the master bedroom slider to the Astroturf. Uses slightly less Astroturf since pavers replace some turf area.

What's Included:

- Astroturf between concrete pads (slightly less SF due to paver areas)
- 4" river rock in surrounding areas
- 10x10 paver patio off kitchen slider (great for BBQ / table)
- Paver walkway from master bedroom slider to Astroturf
- Polyspun weed fabric
- Leveling and grading
- Stair construction/repair

Cost Breakdown:

Astroturf materials (reduced SF)	**~$1,200 - $1,400**
River Rock 4" + delivery	**~$1,316**
Pavers (sheet pavers from Home Depot)	**~$500**
Labor (leveling, grading, stairs, pavers, install)	**$3,500.00**
ESTIMATED TOTAL	**$7,700 - $8,300***

* This is the nicest option per Rob. The paver patio makes the space more usable for adults - they could put a table, chairs, or BBQ off the kitchen. Costs ~$500 more than Option B because less Astroturf offsets paver material costs.

Astroturf Size Upgrade: 33ft Option

All three options above assume a 22ft Astroturf strip (between the two concrete pads). Rob also priced a larger 33ft Astroturf option that extends from the ends of each concrete pad, all 15 feet wide.

Proposal #21001 - 525 SF (15x35) Astroturf: $1,882.18

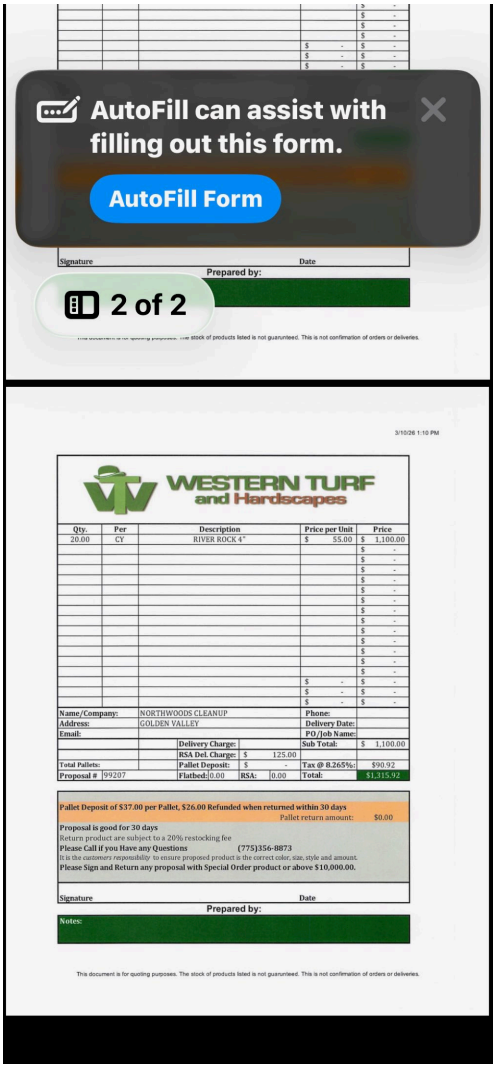
Cost Impact:

The 33ft option costs ~$481 more in materials ($1,882 vs $1,401). Astroturf is $1.93-$1.94 per square foot. This adds ~195 sq ft of turf coverage. Add this difference to any option above to get the 33ft price.

22ft turf materials	**$1,401.00**
33ft turf materials	**$1,882.18**
Difference	**+$481.18**

Earlier Concept: DG + Paver Walkway Idea

On March 14, Rob shared an earlier concept showing how switching to DG everywhere (sides and around Astroturf) could eliminate ~$1,300 in rock costs and bring DG down to ~$670. He suggested using the savings to add a small 10x10 paver pad and a paver walkway from the master bedroom slider to the Astroturf.



Rob's earlier annotated proposal showing DG cost savings

Rob's spray paint layout showing proposed zones (red = patio, green = turf)

Side-by-Side Comparison

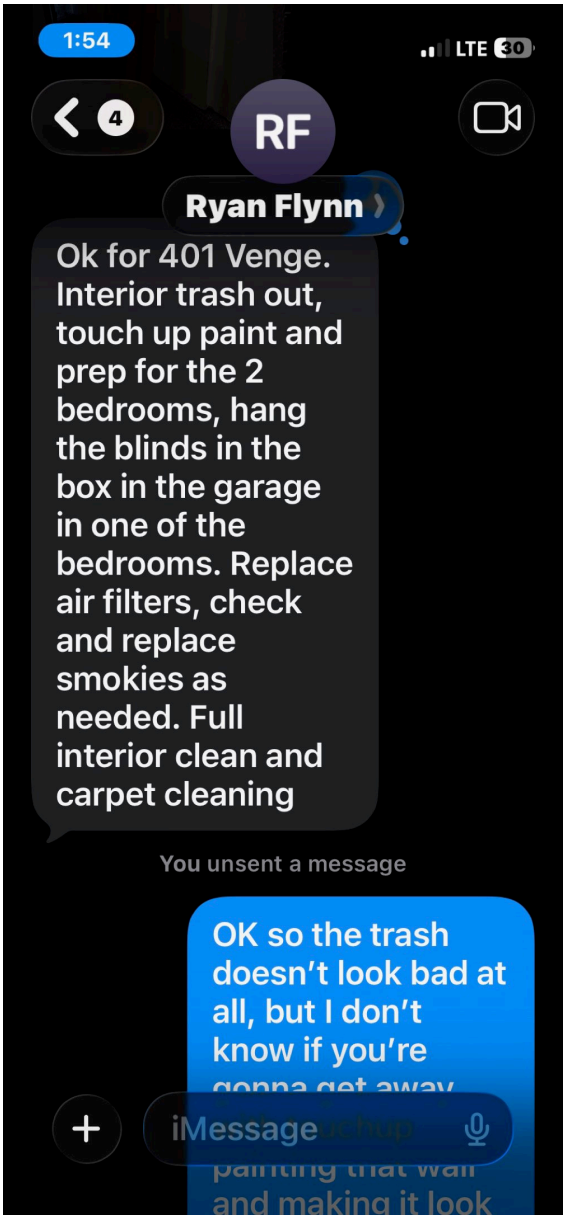
	Option A (DG)	Option B (Rock)	Option C (Rock+Pavers)
Surrounding Material	Decomposed Granite (DG)	4" River Rock	4" River Rock
Astroturf (22ft)	330 SF	330 SF	~280 SF
Weed Fabric	Optional	Required	Required
Paver Patio	No	No	Yes (10x10)
Paver Walkway	No	No	Yes
Material Cost	~$2,100	~$2,717	~$3,200
Labor	$3,500	$3,500	$3,500
Est. Total	$6,300-$6,500	$7,000-$7,200	$7,700-$8,300
Rob's Take	Budget pick	**RECOMMENDED**	Nicest option

Key Notes from Rob:

- "This rock is only $291 more than the DG and will look way better."
- The Astroturf remnant at Western Turf is pending availability -- secure it soon (~$1,000 deposit).
- Astroturf is $1.94/sq ft if you want to adjust the turf area size.
- Weed fabric with DG is optional but protects longer; with rock it's mandatory.
- The 10x10 paver pad makes the yard more usable for adults (BBQ, table, seating area).
- Labor is $3,500 flat for all options.

Additional Interior Work (Ryan Flynn's List)

Separate from the backyard renovation, Ryan Flynn sent Rob a list of interior items for the property. Rob is handling these as well:



Ryan Flynn's message listing interior tasks

Interior Task List:

- Interior trash out
- Touch up paint and prep for the 2 bedrooms
- Hang the blinds (in the box in the garage) in one of the bedrooms
- Replace air filters
- Check and replace smokies (smoke detectors) as needed
- Full interior clean and carpet cleaning
- Paint the wall with screw holes (Rob notes full wall paint, not just touch-up)

Rob will provide a separate estimate for the interior items after inspecting the property.
